Talent Won on Extra Dry, Simple Gold Colt and Sir George,

ISPYCIAL TO THE EVENING WORLD. GUTTENBURG RACK TRACK, April 15.—Au-other large crowd turned out to witness the racing here to-day. It was even larger than that of yesterd y, and, therefore, the largest of the season. Though the weather was warm and pleasant, a high wind made the journey to the track very disagreeable. It raised clouds of dust, that choked the throats and filled the eves and ears of the race-goers. At the track, however, it was pleasant enough; the grand stand being cool and airy. The programme was excellent, and no one could find lautt

The port began with a five furiong dash and the talent were made happy for the favorite won very easily. Extra Dry was the choice and the Dwyers' money made him a hot tavorite. Noonaw and Tiogs, two good toings from Gionester, were well played, and one of them, Tiogs, managed to silp into the place. Kingstock was well backed but the distance was too short for him to fully extra dhimself. The second race was for youngsters at half a mile. Simile Gold colt, in view of his past performances, opened favorite and was backed down to nearly even money. Tammany and Marbie lier-tranked equal second choices and both were heavily backed. The others were not backed to any extent.

Again the favorite won, but it was a close shave, for the Maggie Duffy lily led until aimost under the wire, where Simple Gold colinipped her by a head. Elia Lakeland filly was third.

The third race was a six forlong dash. With two wingers to their credit the talent plumed. he -port began with a five furlong dash and

third.
The third race was a six furiong dash. With two winners to their credit the talent plunged on Knattan. He was a red not favorite and carried a load of money. Next in public favor was 8-im Morse, who was also heavily played. Major Thornton was third choice, having opened at 10 to 1 and being claved down several points. None of the others carried much money.

The favorite was never in the hunt. Xeno-phon won nandly in a driving flaish, a head from Glenmound, who beat Major Thoraton a hrad.

Another report has been circulated that the formouth Park Association has leased Jerome Park for the coming meeting. It is a fact that there will be no racing at Long Branch this by either the Jerome Park or Monmouth officials. There is every probability, however, that the lease will be drawn up in a few days and the fact made public.
